RATE CLARIFICATION: When deciding on a commitment level please keep in mind that Drop-In Care and Hourly Care all fall under the realm of ad hoc or sporadic care. This type of care can be cancelled/scheduled on a week to week basis (or day to day) by either party. Availability will always depend on space, ratios and feasibility. For Ad-hoc/Sporadic Care, cancellations due to schedule changes, sickness or vacations are not billed. There is no contract involved but space is not guaranteed. Confirmation would be required prior to each and every visit. Whereas, Part-Time and Full-Time spots are contracted out in whole parts or in fractions to a single placeholder. Weekly rates and monthly rates are meant to cover the long term “holding of a spot” and therefore concessions cannot be made for missed days, schedule changes, sick days or vacations once a spot (or a fraction of a spot) has been held via a contract. Hourly care rates are a great option for families that anticipate missing lots of days due to varying work schedules or due to large chunks of time spent away from care. Finding a placeholder (family member or friend) to temporarily pay for your spot during your long absence can be an option as well. Please discuss this option with the Director in advance. Please refer to the payments section of your current parent handbook for further clarification about payments.

NOTE WELL: Hourly rate with a contract breaks down to about \$4-\$5 per hour whereas the hourly rate without a contract is \$9 per hour

PAYMENT POLICIES AT A GLANCE:

- If your start date is more than one week away, then you need to make a **refundable deposit** in the amount of one full week in order to secure your spot. Funds can be mailed to 1292 E Ridge Road, Rochester, NY 14621. Checks can be made payable to: The Polka Dot Place.
- The accepted forms of payment are Check, Cash, Money Order, Visa, MasterCard or Discover.
- Parents will have the option of being charged monthly (last business day of every month) or weekly (last business day of each week).
- There is a 3% upcharge for families who choose to pay with Credit Card. However, there is no up-charge for families who use a Debit Card with pin entry.
- Payments cover the UPCOMING month or week in question (on FRIDAYS).
- Monthly rates have been adjusted to reflect a 30/31 day cycle (4.33 weeks) versus our weekly rates which are based on a 28 day cycle. To compute our monthly rates simply divide any rate that you find by **4.33 (not 4.3)**
- Sibling Discount is 10% for the oldest enrolled child. Both siblings must be enrolled full time in order to apply a sibling discount.
- Some enrichment classes are out-sourced, payments for those non-in-house classes will be due as indicated on the sign up form provided. TBD rates. TBD enrollment options.
- Any payment delayed for more than 6 consecutive days will result in a late fee of \$25, with a \$5 per day increase after the 10th day.
- **\$25 Returned Check Fee**

EXTENDED POLICY REGARDING VACATIONS, ABSENCES AND PAYMENTS:

There are two registration level options at The Polka Dot Place: Hourly Care Plan and Care Contract. Parents on the Hourly Care Plan pay more per hour for care BUT only pay for the hours that they use. They do NOT pay for holidays, closures, absences, sick days or vacations and have the ability to change their schedule from week to week IF space allows. Their spot is not guaranteed, however, from day to day. Families who sign a care contract have a guaranteed spot at The Polka Dot Place. They pay a

monthly or weekly rate that is due in full regardless of holidays, absences, closures, sick days or vacations and they have the ability to change their contracted days up to three times per year without jeopardizing their spot. When broken down, the rate they pay hourly is much less but after the above mentioned factors are weighed in, both options average out to nearly the same cost per year.

Again, with the exception of the families that pay for childcare at The Polka Dot Place on an hourly basis, keeping in line with other care centers and nursery schools, concessions/refunds/discounts/rebates cannot be made for closures, vacations, holidays, sick days, missed days, etc. Long term absences of 30+ days with valid excuses will be pro-rated accordingly on a case by case basis (refer to final paragraph). **All cardholders will be charged the agreed upon monthly/weekly rate unless a written cancellation request has been delivered.** Scheduling changes that affect your Care Contract may warrant a change in tuition. Changes to your Care Contract, for non-hourly families, can be made on a month-to-month basis (a maximum of 3 changes will be entertained per calendar year).

Again, families on the Hourly Payment Plan have the right to change their schedules from week-to-week, but are only allowed to attend when space is available. Families on the Hourly Care Payment Plan only pay for the hours that they use at a flat hourly rate. These families are not required to pay for absences caused by vacation, sickness, holidays, etc.

Furthermore, parents with Care Contracts have the option of putting their tuition on “hold” without being charged for a minimum of 1 month and for a maximum of 3 months in the event of a long absence that has been approved by the Director. Thirty (30) days’ notice is necessary in order to put an account on “Hold” status and avoid being charged. This option can be approved on a case by case basis and it is dependent upon enrollment trends and feasibility.
